

October 2018

Dear client,

We at Leonard Wholesale endeavour to provide the best in quality and service to every one of our customers. As with many businesses, we're always looking for ways to evolve in order to remain competitive in the marketplace.

With this in mind, we are pleased to announce that effective November 04, 2018, we are launching a line of nuts, dried fruits, legumes, grains, and confectionery. We are excited to add these products to our list of offerings and we hope you find them to be of value to your operation.

Please contact Anthony, Albert or any of the Leonard team with any questions that you may have; we're here to serve you!

Thank you sincerely for your patronage.
