Dear customer,

Due to recent news by the Provincial Government about reinstatement of a province wide lockdown, we sadly must revise our hours of operations once again. Effective immediately and until further notice, we we will be closed on Sundays, with operations being from Monday to Saturday but only until 12:00 noon each day; therefore regrettably, we won't be able to accommodate afternoon orders.

Thank you as always for your business, and please stay well,

Anthony Bondi, Owner
