

THIS EMAIL IS SPECIFICALLY FOR DOWNTOWN AND AREA IMPACTED CUSTOMERS

Afternoon everyone, with the upcoming World Cup matches to be played in Toronto, (please access the link below for the schedule), with the inaugural game being held on June 12, there'll be several road closures, detours and heavy traffic in some locations that day as well as on subsequent game days.

Therefore, we kindly ask you to submit your orders with as much advance notice as possible. Also, please note that afternoon deliveries will be difficult so we will avoid making them as we cannot guarantee delivery times etc.

Here's wishing you and your favorite teams the best of luck!

Thank you.
